Appendix 1: Screen shot of project website

The screenshot shows a web browser window with the URL gwilliamson9wixsite.com/asthmaandpregnancy. The page content is as follows:

A pilot study investigating the feasibility of a care bundle on women's experiences of asthma in pregnancy.
Project website.
Please scroll down

We call these resources the Pregnancy Asthma Care Team Interventions (PACTVI). Please scroll down

The main content area features a central image of a pregnant woman. To the left of the image, the text reads: "Once you have read the information sheet please complete Questionnaire 1 below" and "After completing Questionnaire 1 please view the video and resources, then complete Questionnaire 2:". To the right of the image, there are several red buttons with white text: "Project overview", "Written Asthma Action Plan" (with subtext: "Download this and use it to monitor and maintain your own health"), "Advice from Asthma UK" (with subtext: "includes a phone hotline"), "Advice and help to stay smoking", "Inhaler technique", and "UK National guidance".

Below the main content, there are green buttons for "Questionnaire 1" and "Questionnaire 2".

At the bottom of the page, there is a footer: "This site was created with Wix.com. It's easy & free. [Track Your Website](#)".

The Windows taskbar at the bottom shows the date and time as 15:25 on 01/12/2017.
